We are seeing families in West Broadway busy and enjoying the season as back-to-school season is upon us!

Our Community Support Worker, Marisolle, is here to help you find information about Acorn Family Place's programs and workshops. She can also assist you in your search for activities and resources in the neighbourhood and throughout Winnipeg.

If you require advocacy to access services at different agencies or are seeking guidance to programs for your family or yourself here at Acorn Family Place, please send her an email at welcomedesk@acornfamilyplace.ca and let her know how she can be helpful.

She will happily assist you by gathering the information you need in time for your next visit!

NEWS FROM THE PLAYROOM

Families and staff had the pleasure of going to A Maze in Corn this summer. There was plenty of laughter, smiles, and bonding with one another as we explored in nature.

We got to say hi to the beautiful rabbits, goats, cats, alpacas, and horses. We were challenged to climb a mountain of straw bales; seeing who could climb the fastest and highest and jump the highest!

We worked as a team to find our way through the corn maze watching how tall corn can grow as we went. We got to go on a bumpy ride on a wagon pulled by big horses.

We finished the wonderful day with refreshing watermelon, cookies, chips, and juice. These field trips are always an amazing day to connect with our community members.
